

# Mobile Deposit is here!

Deposit a check with your mobile phone.  
It's so easy.

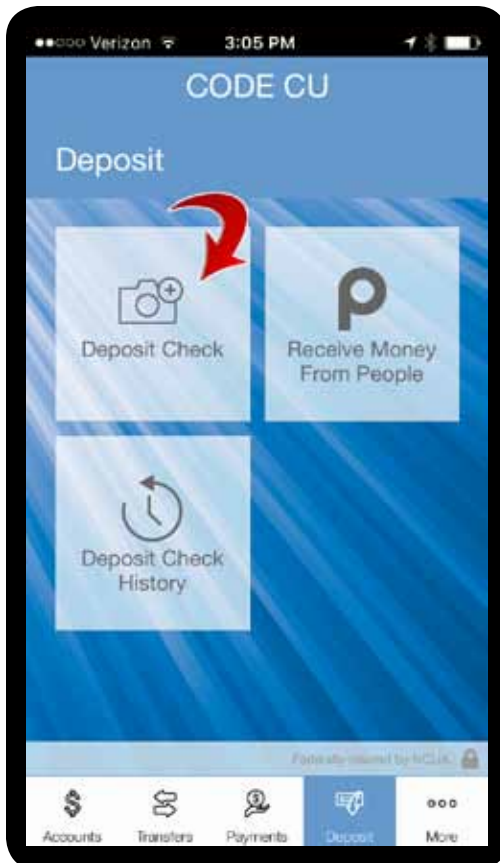

## Step 1

Launch CODE's Mobile App and click on the "Deposit" icon on the bottom.

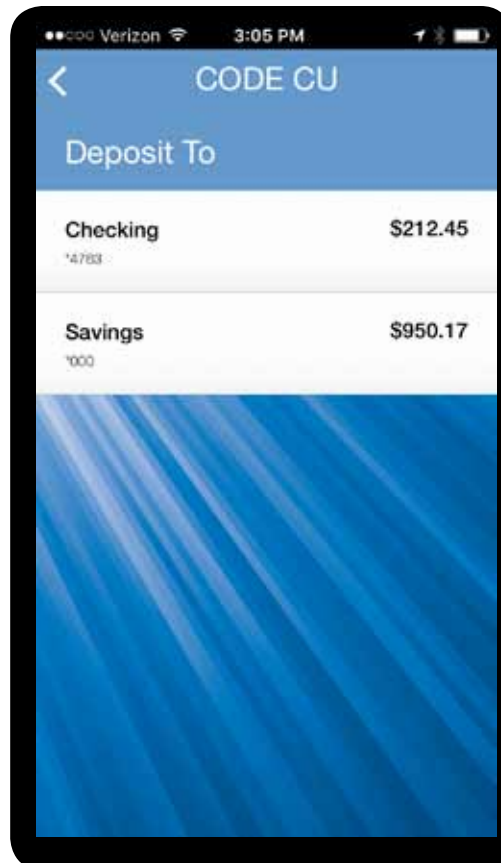

## Step 2

Click on "Deposit a check".

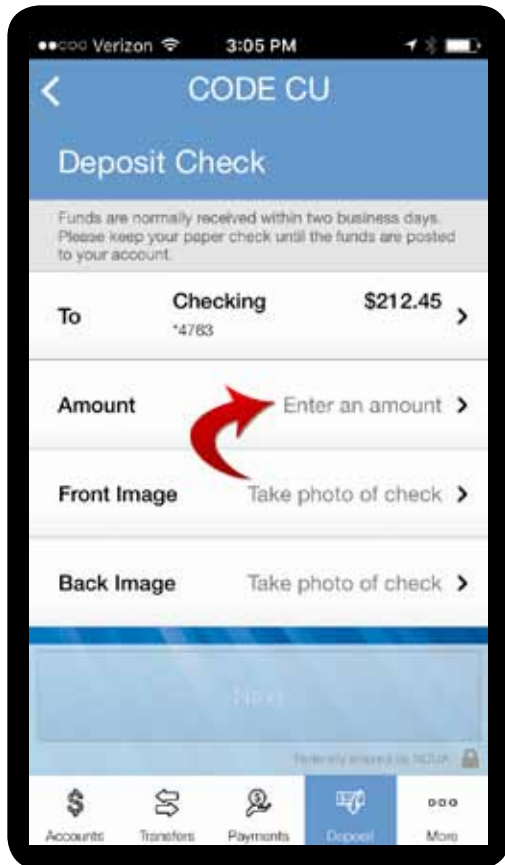

## Step 3

Choose which account you'd like to deposit the check to.

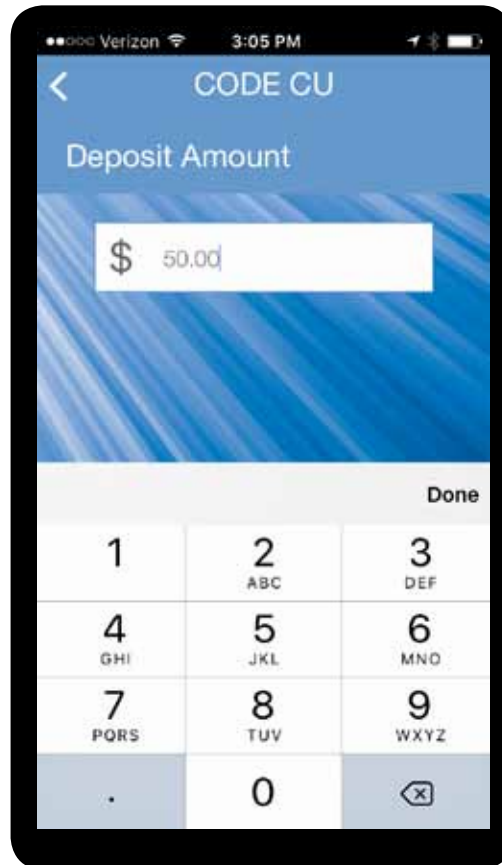

## Step 4

Click on "Enter An Amount"

## Step 5

Type in the amount.

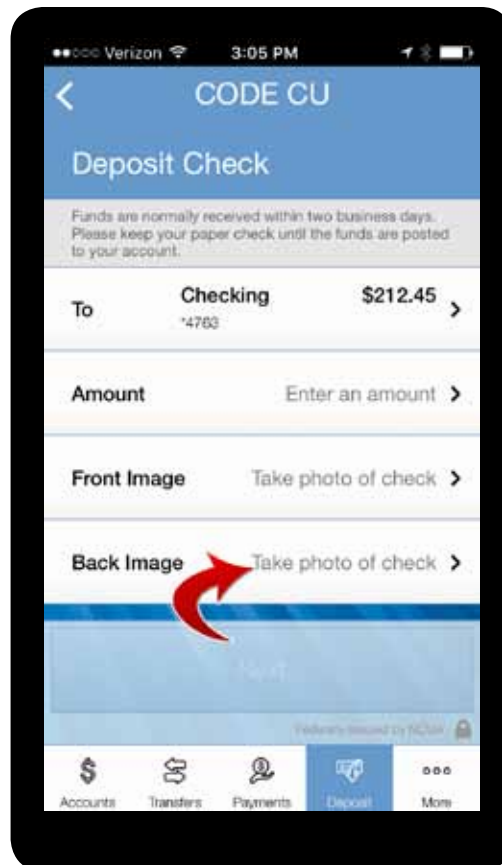

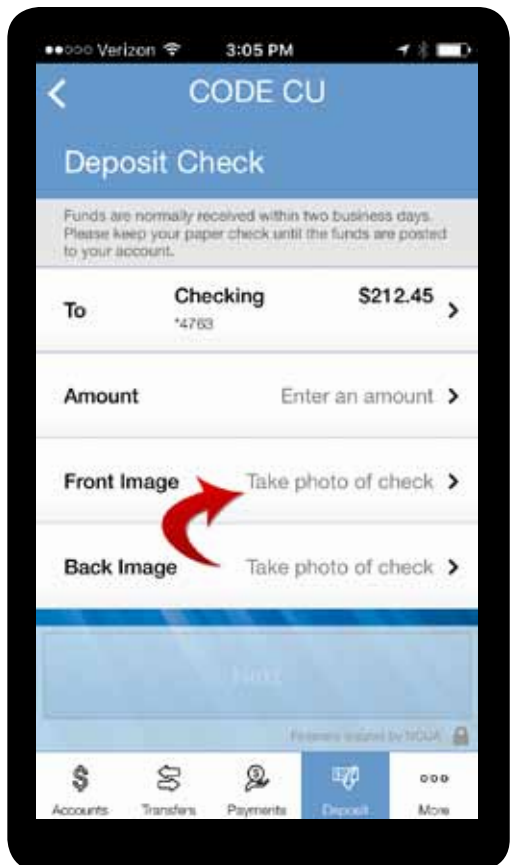

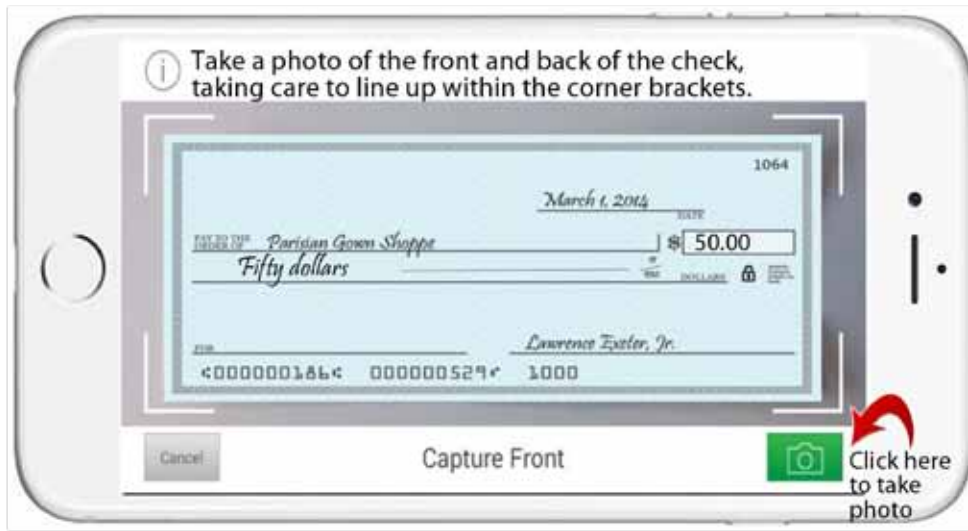

## Step 6

Take a photo of both sides of the check.

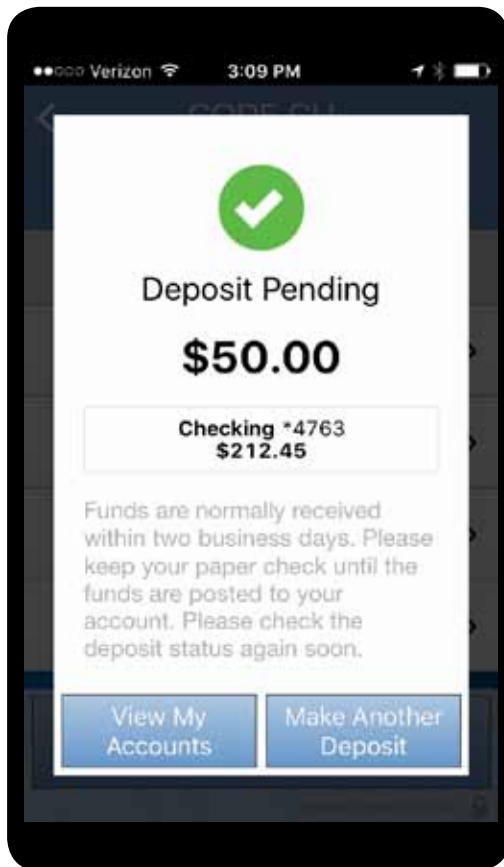

**Make sure you endorse the back of the check "For Mobile Deposit Only".**

Click on "Front Image" and "Back Image", respectively to complete these steps.

# Success!

It is also possible to view a list of deposits made with this device. Under the Deposits menu, users can click on Deposit History to see checks that they have captured and submitted with their smartphone. This list will show their mobile deposits and the status of each (Accepted, Pending, Failed, or Unknown). Tapping on a check displays details about the deposit, including images of the check.
