APPLY NOW

Have you been dreaming of buying a house but have held back because you don't have enough down payment funds?

If this sounds like you, the Federal Home Loan Bank has a program that YOU need to know about. It's called Welcome Home and will be available soon.

Beginning March 1, 2018, funds can be reserved for the purpose of putting toward the down payment on a home. Up to \$5,000 will be granted to members on a first come, first served basis. These funds can be used in conjunction with many types of mortgages including First Time Home Buyer and more. There are also other down payment assistance programs that can be combined with this grant from the Welcome Home program.

We would love to help as many CODE members as possible with this grant, so call Robert today to find out how to reserve your funds.
